21—04/26/2016

Columns:

Pct: Precinct number

Total Attended: The number of meetings attended by the precinct committeeman from the date of first roll call.

Max: The maximum number of meetings the precinct committeeman could have attended based on the date of first roll call.

% Attended: Total Attended/Max, converted to a percent and rounded.

Notes:

- 1) The attendance report includes roll call results for regular KCRCC meetings. The KCRCC meets regularly once each month except in December. Special meetings and the May 2014 Reorganization meeting are not included.
- 2) The date of first roll call for all members elected at the May 2014 primary is 6/24/2014—the date of the first regular meeting
- 3) The date of first roll call for members appointed to fill seats vacated since the May 2014 primary is the first regular meeting following appointment. Appointed members are indicated by a number in parentheses following their name. The number corresponds to the meeting at which they were appointed.
- 4) NA in the Total Attended column means “Newly Appointed”. The committeeman will have their first roll call at the next meeting.
- 5) The number “1” in a column means the committeeman attended the meeting indicated in the header row. Blank means the committeeman did not attend the meeting.
